Director of Training  
Central Intelligence Agency  
Washington, D. C.

Dear Sir:

1. The Defense Intelligence School would be appreciative if speakers could be designated to present the indicated lectures to the students of the 1963 Strategic Intelligence Officer Refresher Course (Reserve Component). This course is for reserve officers of all three services. We anticipate approximately 150 students who will have Top Secret clearance.
2. As in the past in order to complete our scheduling, we will need by 20 May the names of the speakers, their telephone extensions, their clearances, and the classification of their lectures. The school's action officer for this course is Lt Colonel Wyly K. Jones, Code 11, Extension 64078/62575, who, subject to your approval, will be authorized direct liaison in administrative matters covering these classes.
3. Again, may we express our appreciation for your continuous, outstanding support at this school.

Sincerely yours,

*for*   
LEE WALLACE  
Colonel, USA
